Presents

ART BLOOMS 2018: AKRON

A GCA Flower Show

June 14-17, 2018

The Akron Art Museum
1 S. High Street, Akron, OH 44308

Open to the public

June 15-17, 2018
11:00 AM - 5:00 PM

The Akron Art Museum Admission Rates Apply
The purpose of a flower show is threefold: to set standards of artistic and horticultural excellence; to broaden knowledge of horticulture, floral design, conservation, photography and other related areas; and to share the beauty of a show with fellow club members and with the public.

The purpose of The Garden Club of America is to stimulate the knowledge and love of gardening; to share the advantage of association by means of educational meetings, conferences, correspondence and publications; and to restore, improve and protect the quality of the environment through educational programs and action in the fields of conservation and civic improvement.

Art Blooms 2018: Akron is a Garden Club of America Flower Show sponsored by the Akron Garden Club and the Akron Art Museum. Inspired by the revitalization of Akron, the purpose of this show is to exhibit outstanding horticulture, conservation, floral interpretations of fine art, and photography.

GCA RULES

2. All plant material must be correctly identified with the botanical and common names, if possible. Accepted references for nomenclature are:
   - AHS A-Z Encyclopedia of Garden Plants
   - International Plant Names Index at [www.ipni.org](http://www.ipni.org) or [http://www.internationalplantnames.com](http://www.internationalplantnames.com)

3. The Garden Club of America expects all exhibitors to be aware of the need to promote conservation of endangered and threatened plants. Plants collected in the wild and listed by the Ohio Natural Heritage Program may not be exhibited in any flower show sponsored by a GCA club. Cultivated plant material listed by Ohio’s Natural Heritage Program may be exhibited if accompanied by a typed card stating that it has not been collected from the wild or that it was collected out-of-state and giving information concerning its cultural requirements and methods of propagation. Natural Heritage Program lists of endangered plant material will be available before and during the show from the division chairmen and are available online at [http://plants.usda.gov/threat.html](http://plants.usda.gov/threat.html)

4. Plant material showing evidence of insects or disease must be removed immediately from the exhibition area. This rule will be enforced at any time during the show, whenever the problem is identified.

5. All entries in the Floral Design and Horticulture Divisions must include fresh and/or dried plant material. Fresh plant material must be in water or conditioned in such a way as to remain in pristine form while on exhibition. An entry not maintained in show condition may have its award removed. Entries in Photography are required to include plant material. Entries in Botanical Arts division must use dried plant material.

6. Locally invasive plants, diseased plant material, artificial plant material, live animals (including fish), taxidermy, natural birds’ nests, feathers of any kind and protected sea life, including coral, are not permitted, [http://plants.usda.gov/java/noxiousDriver](http://plants.usda.gov/java/noxiousDriver)
GENERAL INFORMATION

1. Entries are open to all GCA club members, including provisionals, and professionals in their disciplines.

2. Registration is required for all classes, except Horticulture Cut Specimens, Classes 1-15. Registration forms are provided at the back of the schedule. Classes will be filled in the order registration forms are received according to the postmark/fax/email date and time.

3. Entering in a show constitutes permission to use images of the submitted content in all GCA channels of communication.

5. Any clarification or change in the rules, as originally stated in the schedule, shall be communicated promptly in writing by the division chairman to all exhibitors in the class and, at the show, to the judges and to the passing committee.

6. An entry card must accompany each entry. Entry cards will be available at the show and upon request from the registration or division chairmen, in advance of the show. Information required on the entry card must be completed in black waterproof medium.

7. The passing committee must pass each entry before an exhibitor may leave the show area. The passing committee reserves the right to refuse any entry that does not conform to the rules of the schedule. The exhibitor has the option of correcting the entry, if time permits. If not corrected, the entry cannot be judged, but may remain in place, marked “For Exhibit Only” with a brief, constructively worded statement explaining why it was not judged. The judges may not disqualify any entry passed by the passing committee unless evidence of insect infestation or disease is identified.

8. Once an entry is passed, the exhibitor(s) must immediately leave the show floor. The only exception will be flower show committee members who have entered and been passed according to the timetable. A passed entry may not be touched again by the exhibitor until after judging and then only to carry out necessary maintenance.

9. Only participating judges and clerks will be allowed on the show floor during judging. Flower Show Chairman and division chairman should remain nearby but off the show floor until needed.

10. All containers and accessories must be inconspicuously labeled with the exhibitor’s name.
11. A novice is an individual exhibitor who has not won a first place ribbon or a GCA Special Award in the division entered at a GCA Flower Show, GCA Major Flower Show or Sanctioned Non-GCA Major Flower Show. An exhibitor winning a first place ribbon in a GCA Flower Show is still considered a novice in a GCA Major Flower Show or in a Sanctioned Non-GCA Major Flower Show or in another division of any flower show. In addition, an exhibitor who has won a first place ribbon or Special Award in a GCA Major Flower Show or Sanctioned Non-GCA Major Flower Show is no longer a novice in any level of GCA Flower Shows in the division won. Only individual novice exhibitors are eligible to receive the GCA Novice Awards or the Sandra Baylor Novice Floral Design Award. A novice exhibitor will be identified on the entry card, following the initial judging.

12. A statement of intent may be required for a specific class as noted in the schedule. The statement must be no more than 25 words (unless specified in schedule) typed or printed in waterproof medium on a 4" x 6" white, unlined card.

13. All exhibits must remain in place and in show condition until fifteen minutes following the closing time of the show.
DIVISION I
Floral Design Guidelines

1. Please carefully read and follow the GCA Rules, General Information and Timetable for Exhibitors.

2. An exhibitor is permitted only one entry per class, but may enter more than one class. The exhibitor(s) under whose name(s) the entry has been registered must create and complete the design. No more than two exhibitors may execute a design unless otherwise stated in the schedule. All participants must be listed. Only listed exhibitors and show personnel may be on the show floor at the time of entry.

3. If forced to withdraw, an exhibitor must notify the registration chairman and class consultant, and find a substitute unless there is a waiting list for the class.

4. Mechanics should not be visible unless they are an integral part of the design.

5. Designs may be executed off-site and brought to the show completed.

6. Anything not prohibited in the GCA Rules, Floral Design Division Guidelines, or individual class descriptions is permitted.

7. Although permitted, the use of cut fruits and vegetables is discouraged and should be undertaken only with proper treatment to prevent spoilage and insect contamination.

8. Judging will be based on the principles of design: balance, contrast, dominance, proportion, rhythm and scale; and the elements of design: light, space, line, form, color, texture, pattern and size. Creativity is important, as are distinction, conformance to and interpretation of the class and schedule.

9. Accessories are permitted, unless otherwise stated in the class description.

10. Paint colors for pedestals and background will be available from the Division Chairman after the registration is received.

11. Questions regarding class requirements may be directed to the class consultant and/or division chairman.

Division I Class Consultant: Colleen Wernig, RWERNIG@ME.COM 330-836-8445
1. Please carefully read and follow the GCA rules, General Information and Timetable for Exhibitors.
2. Entries must have been owned and grown by the exhibitor for a minimum of three months, unless otherwise stated in the schedule. Entries eligible for the Catherine Beattie Medal and/or the Clarissa Willemsen Horticulture Propagation Award must have been in the possession of the exhibitor for at least six months and will be identified on the entry card.
3. An exhibitor may submit multiple entries per class, provided each is a different species or cultivar.
4. All entries propagated by the exhibitor must include a key card with the method and relevant dates(s) of propagation. To be eligible for the Willemsen Propagation Award, detailed propagation information is necessary.
5. Mats, stands, and saucers are not allowed. Unobtrusive staking and ties are allowed. The Horticulture Committee will provide saucers for potted plants.
6. Classes may be subdivided and entries moved and/or reclassified at the discretion of the horticulture committee and/or the judges.
7. Containers are measured at the diameter or the diagonal of the widest point on the inside of the rim at the soil line. Containers not to exceed 12" in diameter.
8. One key card (diagram and plant list) is required when multiple species or cultivars are exhibited in the same container. Key card must be a 4" x 6" white, unlined card and completed in pencil, black waterproof ink or typed. A 4" x 6" photograph with identifying numbers may be used.
9. Container-grown plants should be exhibited in containers that are clean, unobtrusive and compatible with the exhibit. Terracotta clay pots are preferred. Other options include stone-like (Hypertufa), green or terracotta colored plastic pots, bonsai containers, wire baskets, slatted orchid baskets and plants mounted on driftwood. Disguised double potting and top dressing are permitted; top dressing must not float when watered.
10. The committee will provide containers and wedging materials for all cut specimens.
11. Maximum length of entered cut specimens is 24", measured from the lip of the container to the tip of the stem/branch, also known as “lip to tip rule.”
12. The committee will water the exhibits if instructed to do so in writing. Notify the division chairman at time of entry with written instructions for watering.
13. Exhibitor of a container-grown entry may designate the center back of the container to aid the Horticulture Committee in positioning the entry for a preferred view. White chalk will be provided in the grooming area.
14. Entry cards will be available in advance and may be obtained from the horticulture committee. Entry cards and/or key cards must be filled out in pencil, or typed.
15. Entries will be judged according to the following point scales:

*Developed in the 1960’s as part of an urban renewal project, Cascade Plaza is an open space with plantings and pedestrian walkways.*

The 2017 Akron Garden Club Provisional Class will create container gardens to represent the planting displayed at Cascade Plaza. At least three species or cultivars planted in a container 18” or less. The plant material must be culturally compatible, in scale, and arranged in a pleasing manner to suggest a garden. No length of ownership required. Key card required.
Class 25  Garden Exhibit Design  4 Entries

**Keep Akron Beautiful**

*Improving Akron’s quality of life through beautification and responsible environmental management since 1980.*

Inspired by the various Keep Akron Beautiful Flowerscapes planted throughout Akron. See examples of KAB Flowerscapes at [http://www.keepakronbeautiful.org/flowerscape-program](http://www.keepakronbeautiful.org/flowerscape-program). The exhibit must include rooted and/or potted plants designed as a circular flower bed full of color for a prominent urban location. Staged within a 3’ wide x 3” deep aluminum saucer painted black and provided by the Horticulture Committee. No accessories are permitted. No height restrictions. Staged at varying heights above ground level. No length of ownership required. Key card required. Registration required.

Class 26  Par  Unlimited Entries

**Where the Rubber Meets the Road - Firestone**

*Founded in 1900 by Harvey Samuel Firestone to supply pneumatic tires for wagons, buggies, and other forms of wheeled transportation. The company became the first to mass produce tires.*

An exhibit of exceptional horticultural merit, which does not qualify for entry elsewhere in the Horticulture Division. Entries in the par class must have been owned and grown by the exhibitor for a minimum of six months. Cut specimens, orchids or hanging baskets are not permitted. Containers may not exceed 12” diameter/diagonal. Judged against perfection.

DIVISION III
Photography Guidelines

1. Please carefully read and follow the GCA Rules, General Information and the Timetable for Exhibitors.

2. An exhibitor may enter one photo. Advance registration is open for Zone X on January 5, 2018; for all zones on January 25, 2018. Registration for all closes May 1, 2018. Exhibitors will be notified if accepted or not at the time of registration.

3. If forced to withdraw, an exhibitor must notify the division chairman and/or class consultant and find a substitute unless there is a waiting list for the class.

4. A printed photograph previously entered in any GCA, GCA Major or Sanctioned Non-Major GCA Flower Show may not be entered again even with slight alterations and reprinting. The same photograph may only be entered in one show at a time.

5. Each photograph must be the work of the exhibitor, under whose name it is registered. In manipulated photographs, any added imagery must be the work of the exhibitor. Commercial overlays and textures are allowed. Matting, mounting and printing may be done professionally. All photographs must be 2-dimensional and printed on paper. All post-production must be done before the photograph is printed.

6. Any editing at any stage must be the work of the exhibitor. This includes enhancement for color or clarity, removal of a part of the image, or combining images.

7. Photography entries are limited to subjects consistent with The Garden Club of America interests such as horticulture, floral design, gardens/landscapes, conservation and the environment, historic preservation, civic improvement and the natural world. Plant material is required in all images in this show.

8. Photographs for classes #1 - 4 must be mounted on black foam core and flush mounted with no borders or over-matting. Overall perimeter dimension of each entry must be a minimum of 48” and not exceed 60”. Glass and framing are not permitted.

9. Entries for class #5, Triptychs, will have three images printed parallel on one sheet of photo paper with a border around the perimeter and a separation between the images. The separation and perimeter space size is to be determined by the photographer. The triptych must be mounted on white foam core. Overall perimeter dimension of the entry must be a minimum of 48” and not exceed 60”. Glass and framing are not permitted.
10. Each entry must have the entry form affixed to the back of the photograph mounting with the exhibitor’s name, garden club, zone, email, address, phone number and class entered. The top of the photograph must be indicated.

11. The division chairman will provide an entry card to be staged with each photograph. Identification of plant material on the entry card is not required, but encouraged whenever possible.

12. An optional title or brief statement may be included on the entry form and the entry card itself, not to exceed 10 words.

13. Photographs will be hung against a neutral background. Details to be announced at a later date.

14. Photographs must be received no later than May 14, 2018. Send photographs to Marsha Dellagnese, 2219 Berrywood Drive, Akron, OH 44333. Your registration will be confirmed and receipt of your photograph will be acknowledged. For shipping questions contact Marsha Dellagnese, MarshaD@DISTINCTIONSDESIGN.COM, 330-666-8331.

15. All photographs will be passed by the photography committee to verify that class specifications have been met. If a photograph is not passed, the exhibitor will be notified and allowed, if time permits, to send a replacement photograph.

16. Only the photography committee may reclassify an entry, but only with the permission of the exhibitor.

17. To support the best intentions of photographers, only (age and otherwise) appropriate images of a child or children should be submitted to, passed and exhibited in the Photography Division and published in focus.

18. If a photograph is to be returned, the exhibitor must provide a self-addressed return label, envelope, a check for photo return and packing material. Any award received will be noted on the back of the mount before it is returned.

RECOMMENDED PACKAGING:
Use two bubble wrap envelopes (14.25" x 19" is often good.) Smaller envelopes are often too tight to easily remove images in and out with their various wrappings. Please do not use boxes.
Wrap your mounted or matted image between 2 suitable pieces of foam core (this is very light) or non-bendable cardboard, which will be reused for return.
Place wrapped image and folded self-addressed return envelope inside the mailing envelope.

POSTAGE: Please include a $12 check, (payable to Akron Garden Club) to cover return postage and handling. Please do not enclose stamps, UPS labels, or postage meter strips. If return envelope and check are not included, it will be assumed that the image will not be returned.

DIVISION IV
Botanical Arts Guidelines

1. Please carefully read and follow the GCA Rules, General Information and the Timetable for Exhibitors.

2. Registration forms must be mailed to Elaine Edminster Fiocca, 2175 Tinkham Road, Akron, Ohio 44313, by May 1, 2018. Entrants will be accepted in the order postmarked. Entrants must enclose a self-addressed, stamped postcard to be notified of their inclusion in classes.

3. Exhibitors are permitted only one exhibit in each class, but may enter more than one class. All participants must be listed on the entry card.

4. If forced to withdraw, the exhibitor must notify the division chairman and the class consultant, and find a substitute unless there is a waiting list for the class.

5. All plant material used must be dried - this includes flowers, foliage, seeds, pods, nuts (in or out of shells), vegetables, twigs, vines, reeds, etc. Only plant material, mechanics and their surface treatments (i.e. paints, nail polishes, varnishes, waxes, etc.) are permitted. Artificial, endangered, and locally invasive plant material may not be used.

6. Figural forms must be assembled or judiciously carved by the exhibitor. Any plant material may be cut, incised or shaped to enhance artistic effect.

7. Non-plant material (i.e. cardboard, metal, twine, string, cording, etc.) may be used only for construction and must not show.

8. Each entry must be the work of the exhibitor under whose name it is registered. No more than two exhibitors may execute a botanical arts entry unless otherwise stated in the schedule. All handiwork must be executed by the exhibitor.

9. Processed products may not be included in design (e.g., couscous, pasta, tapioca, balsa wood.)

10. A sample card must accompany each entry in Classes 1, 2 and 3. An untreated sample of each plant material used in the design, correctly identified with botanical and common names, affixed to a 4" x 6", white, unlined card.
11. All entries must be received no later than May 14, 2018. Send entries to Elaine Edminister Fiocca, 2175 Tinkham Road, Akron Ohio 44313. For information contact Elaine Edminister Fiocca: elainefiocca@gmail.com 330-836-6675. If an exhibit is to be returned, the exhibitor must provide a self-addressed return label, return postage and packing material.

12. If an exhibit has won first place or a GCA Special Award in a GCA Flower Show, GCA Major Flower Show, or Sanctioned Non-GCA Major Flower Show it may not be entered in competition again. An exhibit, which has been previously entered and did not place first, may be entered again if the piece is significantly altered.

13. All entries will be passed by the botanical arts committee to verify class specifications have been met. If time permits, an entry may be returned for correction.

14. The committee will be responsible for installation of the exhibits. Each exhibit will be handled with the utmost care. Indicate in writing, and include with the exhibit, any special instructions for handling and display.

DIVISION V
Conservation and Education Exhibits

A. Conservation

The Conservation Committee informs the AGC membership on Conservation issues in the Summit County/Akron area. The *Akron Waterways Renewed* project is Akron’s largest environmental investment in its history. It is a multi-year, billion dollar water quality improvement project affecting residential, commercial, and natural areas within and adjacent to the city.
GCA FLOWER SHOW AWARDS

GCA Flower Show Awards described below have been applied for and will be presented if merited.

**Division I, Floral Design**

The **Dorothy Vietor Munger Award** may be awarded to members of The Garden Club of America clubs in competitive Floral Design classes at a GCA Flower Show. It is offered in recognition of creative work of outstanding beauty using predominantly fresh plant material. The design must have placed first, second, or third. Challenge class entries are not eligible. The award is not a substitute for Best in Show and will be given at the discretion of the judges.

The **Harriet DeWaele Puckett Creativity Award** may be awarded to members of GCA clubs or non-members in recognition of a uniquely skillful and creative response to an imaginative schedule in Floral Design. It will be given for an innovative and interpretive entry, which, although it abides by the principles of good design, goes beyond traditional period arrangement to whatever art form the exhibitor(s) chooses. The design must have placed first, second, or third in the Floral Design Division of a GCA Flower Show. An entry in any challenge class is not eligible to receive this award. The award is not a substitute for Best in Show and will be given at the discretion of the judges.

The **Sandra Baylor Novice Floral Design Award** may be given at a GCA Flower Show to an exhibitor who is a member of a GCA club and who has never won first place, or a GCA Special Award in the Floral Design Division of a GCA Flower Show, GCA Major Flower Show or Sanctioned Non-GCA Major Flower Show. It shall be awarded to an individual novice exhibitor for a unique and skillful response to the schedule. Novice entries placing first, second, or third in any competitive class, including challenge classes, are eligible for this award.

Akron Garden Club’s The **Edna R. Sewell Bowl** for Best in show in Floral Design.

**Division II, Horticulture**

The **Catherine Beattie Medal** may be awarded for a horticulture entry distinguished by its vibrancy, prime condition, and perfection of grooming. The exhibitor must have owned and grown the exhibit for at least six months. The medal may be awarded for a single plant, collection of plants, container garden, or cut specimen, but only if there is an exhibit worthy of the honor. It may be awarded to members of GCA clubs only; individual, joint, and club entries are eligible. The award should not be considered as a substitute for Best in Show. The medal may not be awarded to the same exhibit more than once; however, offspring of a Beattie winner are eligible to receive the award.

The **Clarissa Willemse Horticulture Propagation Award** may be awarded for a horticulture entry distinguished by its prime condition, flawless grooming and difficulty of propagation. The entry must have been propagated and grown by the exhibitor for at least six months. This award may be given for a single rooted plant or a collection of rooted plants. The dates and method of propagation must be recorded on the entry card. The entry must have placed first, second, or third at a GCA Flower Show. The award may not be given to the same exhibit more than once.
The **Rosie Jones Horticulture Award** may be presented to a horticulture entry of exceptional visual appeal that reflects the spirit of growing with joy and enthusiasm and inspires others to propagate, grow, show and share horticulture. An exhibit that has been propagated by the exhibitor will be given special consideration but propagation is not a requirement. Perfection, while always desirable, is not a primary criterion. This award celebrates the ineffable joy inherent in the beauty and pursuit of horticulture.

Akron Garden Club’s The **Edna R. Sewell Bowl** for Best in show in Horticulture.

**Division III, Photography**
The **Photography Creativity Award** may be awarded at a GCA Flower Show to a member of a GCA club in recognition of creative and technical excellence in response to the theme of the schedule. The entry must have placed first, second, or third.

**Division IV, Botanical Arts**
The **Botanical Arts Creativity Award** may be awarded at a GCA Flower Show to a member of a GCA club for excellent craftsmanship and creative response to the theme of the schedule. The entry must have placed first, second, or third.

**Division II, III, IV**
The GCA Novice Award may be given at a GCA Flower Show in the **Horticulture, Photography** and **Botanical Arts** to an exhibitor who is a member of a GCA club and who has never won first place or a GCA Special Award in the division entered, of a GCA Flower Show, GCA Major Flower Show or Sanctioned Non-GCA Major Flower Show. It shall be awarded to an individual novice exhibitor for an outstanding exhibit. Novice entries placing first, second, or third are eligible for this award.

**Division V, Conservation and Education Exhibits**
The **Ann Lyon Crammond Award** may be presented at a GCA Flower Show to an outstanding educational exhibit, which best educates the public about gardens. Any educational exhibit, which increases the appreciation of any aspect of plants, gardens, or landscape design, may be considered for this award. The award may be given to GCA club members, member clubs, non-members or other organizations.

The **Marion Thompson Fuller Brown Conservation Award** may be presented for an outstanding conservation exhibit at a GCA Flower Show. The award recognizes an exhibit of exceptional educational and visual merit, which increases knowledge and awareness of the environment. The exhibit should emphasize environmental concerns and may demonstrate conservation practices. Plant material may or may not be used and, when appropriate, must be clearly identified. Protected material may be included if such materials are identified as protected and not collected in the wild. The award may be given to The Garden Club of America clubs, club members, non-members or other organizations.

**Overall Best in Show**, selected from among the first place winners, may be awarded in each division.

**Judges’ Commendation(s)** may be given to an entry, class, section, special exhibit or other aspect of the show that is of exceptional merit.

**Award of Appreciation** may be given to thank an exhibitor or group for participation. The award may also be given to non-judged classes.
